Panel 3: Panellist

Barbara Miller

Dean of Undergraduate Studies, Glion Institute of Higher Education, Switzerland

Barbara Miller has worked in the field of academia for many years and also has a background in hospitality. Past industry-based experience include hotels, consultancy, and training.

Originally from the UK, Barbara has lived in Switzerland since 1996 and has designed and developed courses, programs and curricula within undergraduate and graduate domains.

Other than an extensive teaching experience, academic positions have included program leader, course tutor, and dissertation supervisor roles. Barbara also enjoys developing applied learning tools that help student develop competencies, experiences, and knowledge in industry based problem solving environments.

Barbara is currently working towards a Doctorate of Business Administration (DBA) and has explored the lived experienced of faculty members adapting to technological induced change and the onset of online teaching and learning tools. Her MBA is from the Open University (UK) and she is a member of the professional Institute of Hospitality.
