

“COOK ‘N’ BATTLE”

FIRST VIRTUAL COOKING COMPETITION BY CULINARY ARTS ACADEMY SWITZERLAND

What is “COOK ‘N’ BATTLE”?

“COOK ‘N’ BATTLE” is a **Culinary Competition** for students of the Culinary Arts Academy Switzerland, as well as for anyone 16 and above, who is interested in studying Culinary Arts in Switzerland in 2020 or 2021. For the first time ever, this competition will be held as a **Virtual Contest** in 2020. It will push your skills to the limit of culinary excellence and will challenge you to present a dish virtually.

Who can participate ?

- All **new students** who have enrolled at Culinary Arts Academy Switzerland before 15th May 2020 for a July or October intake.
- **Anyone 16 and above** interested in studying Culinary Arts in Switzerland in 2020 or 2021.

How does it work ?

The virtual “COOK ‘N’ BATTLE” 2020 is divided into two distinctive rounds of competition. The **Qualification round** requires all participants to present a short video in which they prepare a home-created dish (as per competition guidelines). A total of seven candidates will be selected by the school jury for the **Final round**. These seven finalists will be mentored by our Chef Instructors and then compete in a live, virtual cooking battle. Connected online via Zoom, they cook in their home kitchen and present their dish virtually to a jury of professional chefs.

- Demonstrate your Culinary Excellence and stand a chance to win a Scholarship worth up to CHF 7,500.00
- Submit your video in the **Qualification round** between **6th May 2020, 9 AM CET** and **24th May 2020, 11.59 PM (CET)**
- 7 finalists will be selected 26th May 2020
- **Final round:** Live Cooking Battle, **6th June 2020, 2 PM CET**
- The winner of COOK ‘N’ BATTLE 2020 will be featured in the next Culinary Arts Academy Switzerland video.
