Skills of the 21st century...

ESG 2015 - Standards and Guidelines for Quality Assurance in the European Higher Education Area

Standard 1.2: “Study programmes provide students with both academic knowledge and skills including those that are transferable, which may influence their personal development and may be applied in their future careers.”

***EC Skills Agenda -Brussels June 2016:
“New skills for Europe” - “.. Young
people have to develop transversal
skills to make the most of their
talents...”***

“... these are the skills that employers are seeking as they are looking for attitudes, not aptitudes, for well shaped personalities...”
