

## KOTO TRAINEE PROFILE

### Tran Van Trung

**Date of birth:** 28/4/1997  
**Place of birth:** Ha Noi, Vietnam  
**Specialty:** Front of House  
**Commencement Date:** 5/11/2014  
**Completion Date:** October 2016

#### BACKGROUND INFORMATION

Trung's family has three members living together. His grandmother was born in 1923 and is very old. His mother born in 1961 has serious health condition with reduced brain function, a cognitive impairment. She receives a monthly illness allowance of VND350,000 from the local government. She works on the farm and also as a household helper and gets an income of VND3mil per month.

His father left in 1999 and died of cancer in 2012. Trung has two siblings born in 1987 and 1991. Both are married, are workers and live far from the family.

Trung graduated high school and then finished school. He stayed in SOS Village – a Social Centre supporting disadvantaged kids from 2003 to 2013 then he asked to go back to his hometown because he was not getting on well with friends and his carers.

The family owns 1,415m<sup>2</sup> of land, a 50m<sup>2</sup> tiled-roof house. The family is verified as poor household in 2014. They also have a 1800m<sup>2</sup> rice field generating VND2-4mil income per year

The family has other income of VND600,000 per month for doing sewing work.

#### HOBBIES/INTERESTS

In my free time, I often listen to music and go for a walk around the park, learn English, play some sports
