**Higher Education Leadership Institute (HELI) Workshop: Learning Technology and Learning Engagement Trends for 2021 and beyond**

### **Dr Peter Ryan**

**Founder and CEO, Higher Education Leadership Institute, Australia**

For over 25 years Dr Peter Ryan has been advising higher education institutions how to achieve quality learning and teaching outcomes.

Peter specialises in designing frameworks for good corporate and academic governance in a higher education context and developing quality assurance systems for ensuring ongoing regulatory health.

Peter is the Founder & CEO of the Higher Education Leadership Institute (HELI). HELI is an online education provider delivering postgraduate courses to develop the skills of higher education professionals.

In 2020 HELI introduced its *Master of eLearning*, delivered fully online, to provide training and professional development for those involved in the digitisation of learning. This course is truly a course for the times as the imperative for online learning becomes even more apparent.
