Quality Improvement in a New Era: Driving Excellence in Hospitality and Tourism Education

Panel 4

- 1. Students as Partners.** If we focus on this particular stakeholder group, could you elaborate on how you engage with students in your organisation? What is your approach and what are the challenges?
- 2. Industry as Partners:** One of the outcomes of higher education is the hope of future employment. What are the benefits and risks of HE providers engaging with employers in the quality enhancement process?
- 3. Professional/Support Services:** What are some of the key considerations around the involvement of professional (or support) services in the quality enhancement process?
